TO WHOM SOEVER IT MAY CONCERN

This is to certify that M/s. Jupiter Tradecon having its office at 311, MPJ Chambers Mumbai-Pune Road, Wakadewadi, Pune – 411 003 have successfully designed, installed and commissioned 50T CAPACITY FIXED TYPE TRUCK TIPPLER Model-JTC-TT-50 in the season 2020-21 at our Karkhana site.

The system has been working satisfactorily from the date of its commissioning i.e. February 2021 for tipping harvested cane. (Karkhana is having 8 (Eight) harvesters in use)

After 4 seasons of operation, we can confirm that system has performed as per designed capacity and as per our requirements with minimum down time.

Very less requirement of spares and ease of operation. (Operation friendly).

We have successfully tipped highest vehicle load of 40 Ton and have successfully used tippler to introduce into the cane carrier/mill 4, 25,000 Ton of harvested cane in the last 4 seasons.

Chief Engineer & Factory Manager
